

Figure.3 Forest plots of odds ratio: A) cardiogenic shock, B) NYHA class IV, C) time to PIVSD closure, D) defect size.

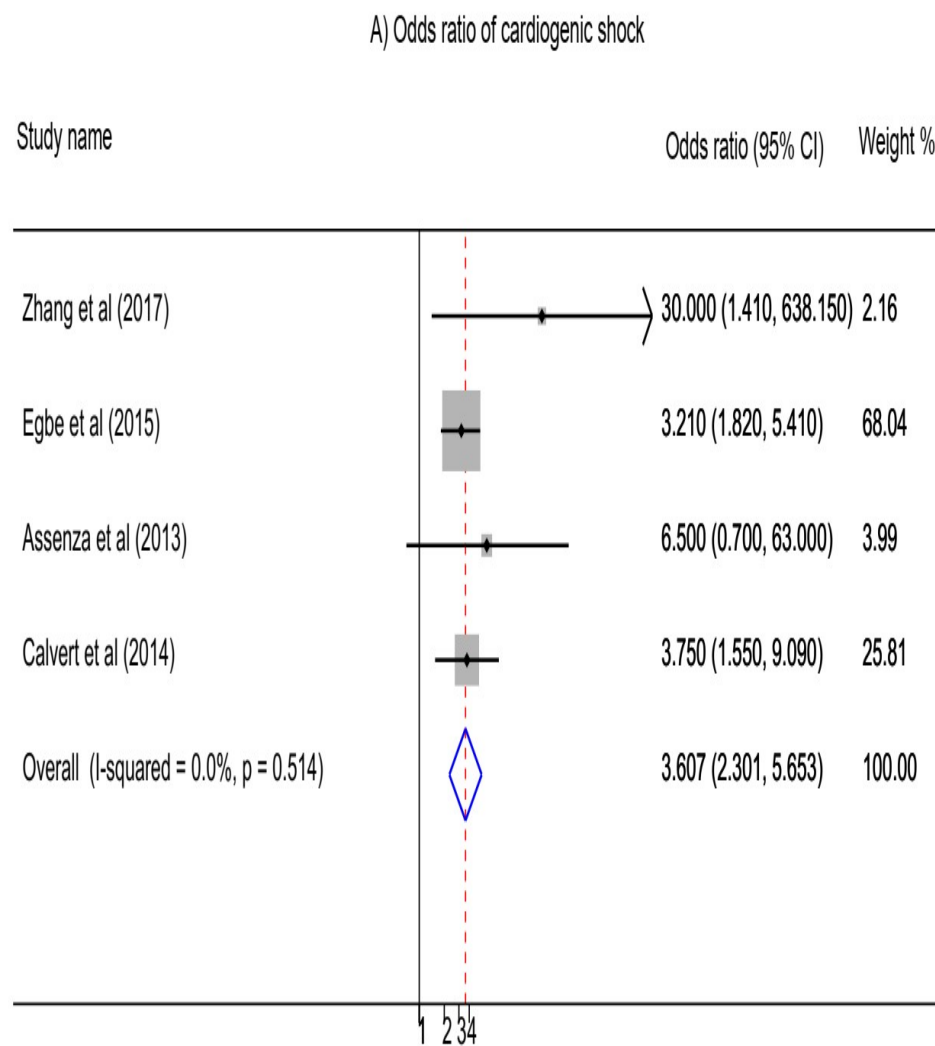

Figure.3 Forest plots of odds ratio: A) cardiogenic shock. CI: Confidence Interval.

B) Odds ratio of NYHA class IV

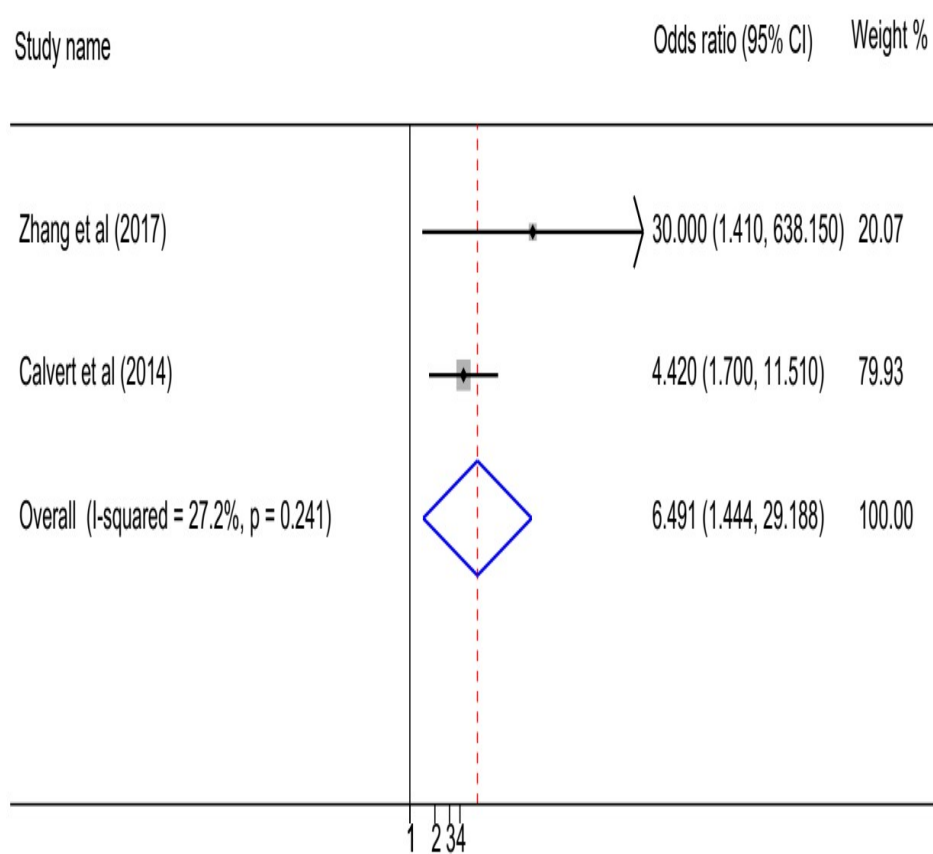

Figure.3 Forest plots of odds ratio: B) NYHA class IV. CI: Confidence Interval

C) Odds ratio of time to PIVSD closure

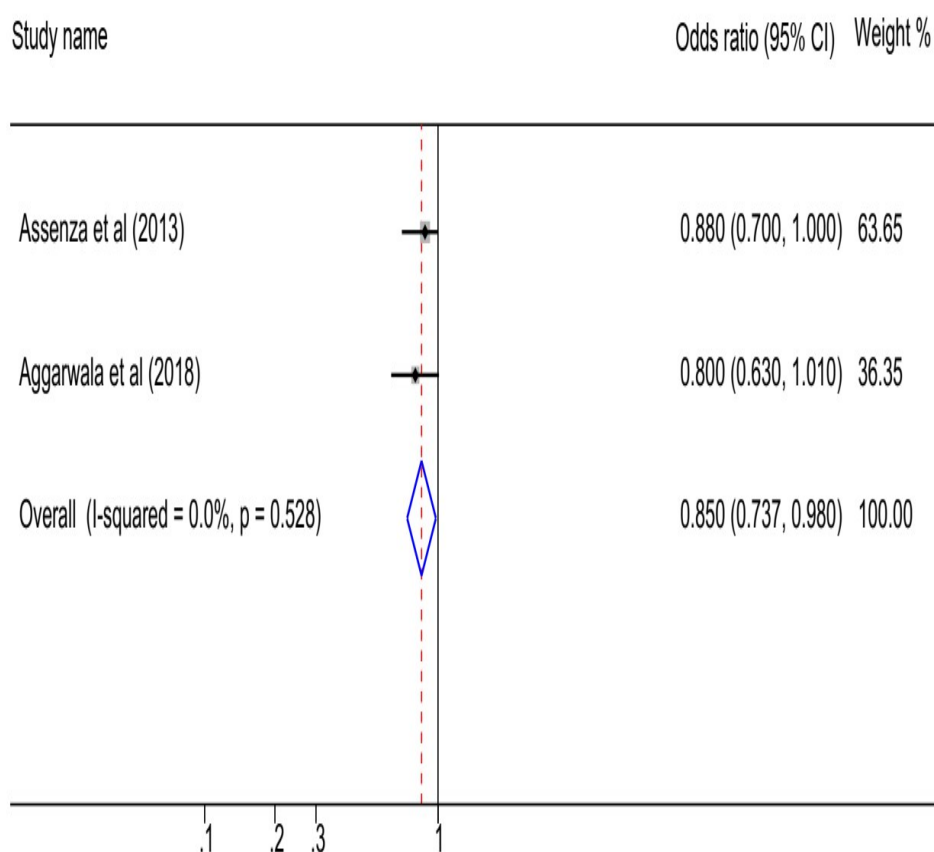

Figure.3 Forest plots of odds ratio: C) time to PIVSD closure. CI: Confidence Interval.

D) Odds ratio of defect size

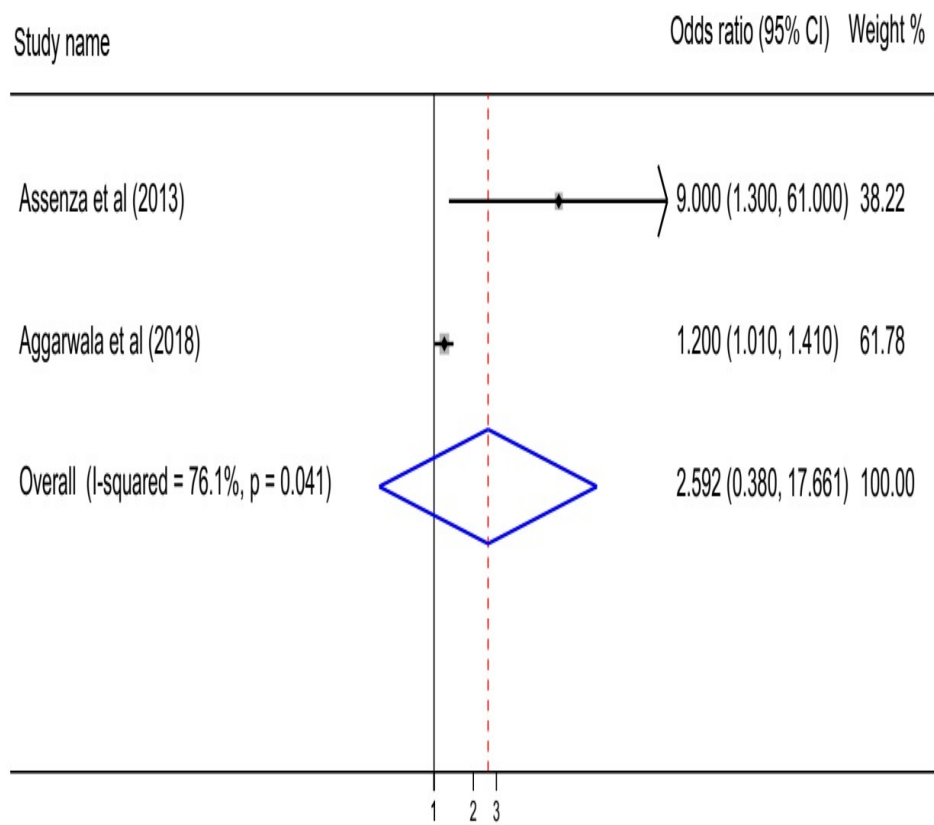

Figure. 3 Forest plots of odds ratio: D) defect size. CI: Confidence Interval.
