

Welcome to Authorea!

Fangyu Wu

Hey, welcome. Double click anywhere on the text to start writing. In addition to simple text you can also add text formatted in **boldface**, *italic*, and yes, math too: $E = mc^2$! Add images by drag'n'drop or click on the "Insert Figure" button.

Citing other papers is easy. Voilà: [CMS/CERN \(2012\)](#) or [Holstein \(2009\)](#). Click on the **cite** button in the toolbar to search articles and cite them. Authorea also comes with a powerful commenting system. Don't agree that $E = mc^3$?!? Highlight the text you want to discuss or click the comment button. Find out more about using Authorea on [our help page](#).

Figure 1: Replace this text with your caption
